## **NEW CHRISTIAN SCHOOL STARTS IN PAKISTAN**

Parents and adults of this remote community asked us to pray for a Christian teacher. The adults cannot read or write, and they did not want their children to grow up like them. **THAT PRAYER WAS ANSWERED.**

The school started on 4th January 2019. This is the first time these children have ever been to school, and the first time this Christian lady has been a teacher.

### **Report from Pastor Arif, Pakistan**

We are so thankful for the Lord Jesus Christ, who made it possible to open a school in the backward area of Kasur Pakistan. We are also so thankful for our good friends Pastor Stephen Downie, Michael Cory, and a Christian couple from Lithgow, who helped us to provide funds for the 33 children of the school. We are so thankful for the Lord Jesus Christ for them who are praying for children in Pakistan.

**Background** Last year in November 2018, God made it possible for Pastor Stephen and Michael to come Pakistan and visit us. We went in the brick kiln area Kasur where people work to make bricks and this is a very hard job that they get up early in the morning like 4:00 AM and prepare mud and work till evening the whole day they make bricks but still they earn very low wages in which they can only eat two time food.

### **LATIN AMERICA—Norberto and Katherine**

**\*MOVING\*** - As you knew, we have moved to Cúcuta and started to attend the church and Evangelism in the border with Venezuela. Church in Barranquilla-Colombia is growing and all the brethren and elders working together are doing an excellent job. Three former churches are running in the local area, in Neighborhood, In Malambo and in Caracolí.

**\*VISIT TO NATIVE PEOPLES\*** - We made a missionary trip two weeks ago to a region named "La Guajira", where there are more than 180,000 aborigines. This is close to Venezuela in North area of the country six hours away from Barranquilla. We shared there with more than 120 families and preached Jesus and the gospel with all the children and some adults in the desert. We delivered 1000 gospels there and donated 50 chairs for children and 120 toys for Christmas. They are currently working now with a family we commissioned and Silvana will be there next year from the 15th of January as a missionary.

**\*PRINTING OF THE GOSPELS\*** - The printing has already finished. Gospels for the native people and distribution will take place this year 2019. Gospels in Spanish will be ready next week.

**\*NEW PLACE IN BOGOTA DC\*** - The group of Evangelists in Bogota continues growing every day. Today we had to start pastoring them also. They are really committed to the gospel and are doing a great job. My wife will be travelling to Bogota next year before January ends and so do I to Barranquilla to check the work.

**\*MEDIA\*** - We are also trying to make TPTL Latin America be known on social media, promoting on YouTube, Facebook and Instagram.
