

AMAZON JUNGLE

THE GOSPEL IS CHANGING LIVES

For five years we have been working in the Amazon Jungle distributing Gospels of John and discipleship material provided by TPTL to people in their own languages.

Recently, Pastor Jairo travelled to the Amazon to conduct many meetings there. We had more than 150 pastors and leaders attend training and discipleship meetings for over a week. They came from six different communities, with many of them travelling up the river for many days to attend.

When the meetings finished Pastor Jairo decided to travel with some pastors to Puerto Inirida which is two hours into the jungle, to do further ministry. He stayed there two days and then departed to go to three new communities to start reaching out and ministering with some new tribes.

He spent a further 12 days in the jungle sharing the gospels and making new contacts on behalf of TPTL.

He has now returned home to his family, and is rejoicing in all that God had done during his time of ministry in the Amazon Jungle.

SOUTH AMERICA

We have just started another group for evangelism in the north part of the Capital City Bogota DC.

We already have a new group of evangelists of 15 young people. Men and women are ready to start the ministry in the city and in rural areas.

We are providing them with hundreds of Gospels for this work.

Silvana continues recovering very well, She is already walking and preaching the gospel to medical staff in the clinic and in the neighborhood. Praise the Lord Jesus.

May you be blessed
Sincerely, Norberto and Katherine.

COVID-19 UPDATE

Andrew and Mary our representatives in Malawi got COVID-19 earlier this year. They were both very sick but particularly Mary was quite seriously ill and they didn't know if she would survive. The hospitals are not very good in Malawi and not equipped to deal with COVID-19 effectively. Much prayer was put up for her and by God's grace she is slowly recovering. Please continue to pray for both Andrew and Mary as they continue to recover.

Pastor Arif in Pakistan also contracted the Coronavirus last year but is now fully recovered.

As you are aware many countries around the world are being greatly affected by the Coronavirus. Please pray for protection of our workers of The Pocket Testament League as they faithfully carry out the distribution of God's Word and equip Christians to share God's Word.

LOCAL NEWS...

A supporter in Queensland recently rang the office to order over 1,000 Gospels of John which he was sending over to the Solomon Islands to be distributed in that country.

Another lady ordered some Gospels of John for the retirement village she lives in. She has been leading a Bible Study and wanted to share the Gospel and the work of The Pocket Testament League to her community.

Biblica is a partner of The Pocket Testament League. It is they who give us permission to print the Gospel of John.

Biblica provides God's Word to people through Bible translation, Bible publishing and Bible engagement in Africa, East Asia Pacific, Europe, Latin America, Middle East, North America and South Asia.
