MALAWI

80,000 GOSPELS NEEDED

Another 80,000 gospels are needed to be printed for Malawi. These gospels will be printed in three languages, English, Chichewa, and Portuguese, and be distributed in Malawi, Mozambique, Zimbabwe, and Zambia.

Recently Andrew, TPTL representative, visited Machinga district in Malawi. He writes, “We have a number of churches we are working with there. This is an area where we have more Muslims than Christians. It’s where we have also targeted for TPTL Children’s Discipleship/Correspondence Courses and Door to Door Evangelism. When we have more gospels of John printed, we shall go there with evangelism teams. Continue to pray for us. The hope of the people in this very difficult period is in the Word of God. This is a good time for revival.”

Andrew goes on to say, “Very encouraging reports continue to come from those who are using the Gospel of John from their evangelism work. I have received very good reports from both Malawi and those from Mozambique. In Mozambique the evangelism team has met so many people who have never had access to the Bible, and this book of John’s gospel we gave to them is being treated as gold. Pastor Lopi from Mozambique said, “This gift of God’s Word (Gospels of John) will help us to grow both in Word and in number.”

PRAYER POINTS

- Pray for the need to print 80,000 gospels in Malawi.
- Pray for Andrew in Malawi as he hosts the Southern Africa Leadership Conference in Blantyre from 5th to 10th October this year. Leaders who are connected with him and TPTL from Malawi, Zambia, Mozambique, Zimbabwe, South Africa, Botswana and others, will be in attendance.
- Pray for Malawi, Mozambique, Zimbabwe, and Zambia as millions of people in these countries cannot afford to buy a Bible, and pray for TPTL as it provides them with a copy of a gospel of John and the opportunity of studying TPTL discipleship/ correspondence course.
- Pray for all of the TPTL evangelists that God would protect them and their families and bless them as they distribute God's word and minister to people.
- Pray for Bangladesh as COVID-19 has affected the printing and distribution of Gospels of John.

INDONESIA

Vera, our TPTL representative in Indonesia, recently wrote, "Thank you for keeping in touch with us especially in these difficult days when we are experiencing COVID-19 spreading throughout the community and affecting the whole country."

Despite the lockdowns and limitations due to COVID-19 we are still reaching people in their homes and work places during this pandemic, and people are feeling excited to receive the good news about God and some of these people are wanting to be baptised.

Although we are faced with many challenges with Covid-19, we still try to share the gospel around Indonesia into the rural areas. We believe God is still with us and always guiding us in whatever we do for Him.

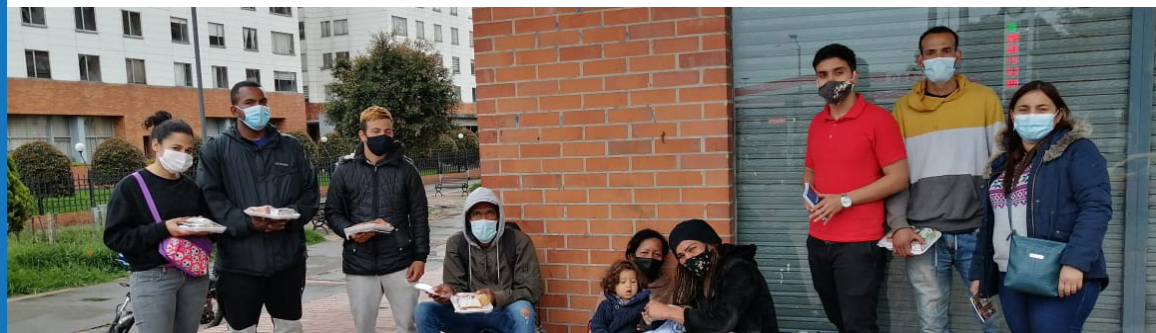

Please pray for Indonesia as many people are feeling the impact both physically and emotionally of the Covid-19 pandemic."

SOUTH AMERICA

Below is a picture of the new outreach team in Bogota DC. They are preaching on streets and reaching out to immigrant people from Venezuela and Ecuador with the gospel and providing some groceries and second-hand clothing which has blessed many people.

Recently, Norberto travelled to a town in the north to establish a new church. This has come about as a result of previously giving out gospels of John and ministering in that area.

Distributing Gospels of John and explaining God's word to children in Ikom

NIGERIA

In August, Udeme conducted discipleship training for a number of Pastors. One of those who attended this training was Pastor Emmanuel Amba, a rural evangelist, who ministers to people living with disabilities, particularly in villages.

He is seen in the picture above distributing the gospels of John to school children in Ikom, Cross River State.

Recently, Udeme was ministering in a Cocoa plantation to this young couple. They surrendered their lives to Christ after hearing him preaching from Matthew 4:18-22. He was able to give them a gospel of John which they are holding in the picture to the right.

THANK YOU

Last newsletter we shared the need for another printing of 100,000 gospels of John in Thailand. Through your generous giving we are able to provide the funding to print another 100,000 gospels of John which will be used by Somchai in his ministry throughout Thailand.

Please pray for Somchai and Saengtong as they are in lockdown again because of COVID-19 and are limited in being able to go out and do any ministry. They are still doing over 300 correspondence courses every week.

ISRAEL - 10,000 Gospels of Mark were printed in the latter part of last year as a special project for Israel. They are being distributed by our contact there in their outreach endeavours. Because of the sensitivity of this project we have been asked not to say much about it. Do pray for Israel and that the distribution of these portions of God's Word would bring salvation to many.

WHAT DOES GOD'S WORD MEAN TO YOU?

What does God's Word mean to you? Is God's Word something you treasure and see as being life-giving and food for the soul which can lead to salvation, help in growing in sanctification and which equips for service? (2 Timothy 3:14-17).

To many people around the world who do not have their own Bible or a portion of God's Word, God's Word is like gold to them and something they treasure when they receive a copy for themselves. To those who do not know of salvation in Jesus Christ but who through receiving a copy of God Word's discover who God is and how they can come to salvation through faith in the Lord Jesus Christ, it is life giving, because it transforms their life as they come to saving faith in Jesus Christ and experience deliverance from the many bondages in their lives.

If God's Word is important to you, will you partner with TPTL to help provide God's Word to those who need and want it? Your prayers and giving to the work of TPTL enable people to be reached with the good news of the gospel and to be discipled. You can be assured that your support of God's work through TPTL brings real change to people's lives and for eternity.

"How sweet are your words to my taste sweeter than honey to my mouth."
