THAILAND

Recently, Somchai received the first 50,000 Gospels from the printers, with the other 50,000 coming soon. The picture on the right shows the Gospels being stored in his garage, ready for distribution.

In the months of October to December he will be doing outreach throughout Thailand. This will involve preaching the Gospel in many meetings, distributing Gospels of John, and providing aid for those who are in need. The picture below shows some of the aid that they are now preparing for distribution.

They have just started their outreach to the people in the Suphan Buri province and from there will go to other places and provinces in Thailand.

Please pray for Somchai and Saengtong and their team that they would have a safe journey

and bring encouragement to believers and the hope of Jesus to unbelievers. Also pray for the many prisoners doing the correspondence courses on the Gospel of John.

God at work

Pakistan is a 96% Muslim country. Christians, Hindus and other religious groups suffer much discrimination and persecution. Through your support you are enabling TPTL to be used mightily by God to equip believers and pastors throughout Pakistan with Gospel material and as a result people are coming to faith in the Lord Jesus Christ.

Please pray for Arif, the TPTL representative for Pakistan, and his family, for protection, wisdom and enabling as he gives leadership to this work.

Below are some encouraging stories of people who have come to faith in Jesus Christ as a result of receiving a Gospel of John and having the Gospel shared with them.

ANIKA

Anika is 14 years old and has two sisters. She lost her elder brother in a car accident in May 2021, he was sixteen years old. She shared that, after the death of her brother, she and her family found themselves completely alone. It seemed to them that there was no hope to live in this world. Then one day a pastor visited their house and shared God's Word with them and gave them a copy of John's Gospel. As a result the family came to place their faith in Jesus Christ and discovered that God is their hope and that He never leaves anyone alone.

BUSHRA

Bushra is a 51 years old woman whose husband recently passed away as a result of an accident at his workplace. This left her feeling sad and all alone with no one there to care for her. During this time she received a Gospel of John and was told that Jesus cares about her. As a result she came to faith in the Lord Jesus and now says, "My God has wiped away all my tears, I am not alone anymore, my living God is my helper and provider."

RACHAL

Rachal is a 16 year old girl. She is the eldest of three siblings and belongs to a middle class family. Her parents only ever attended church three or four times a year. However, when she started going to Sunday School she loved hearing about Jesus and would go home and tell her parents all the things she had learnt from the Bible. Through Rachal sharing what she had learnt in Sunday School, her family came to know Jesus. On the right, is Rachal holding a copy of John's Gospel which she received in Sunday School.

KOMAL

Komal's family was in great financial need. No one in her house knew the Lord Jesus. However, during this time Komal came to faith in the Lord Jesus and she prayed that God would help her family's financial situation. Since then her family's financial situation has improved and she has discovered that God truly is her heavenly father and provider.

SAHAR

Sahar had an accident in May 2021 where her legs and knee were broken and she couldn't walk. The doctor said that she needed an operation and that a rod would need be put in her leg and that she wouldn't be able to walk properly for 6-7 months. During this time she was given a Gospel of John and had the Gospel shared with her. As a result, she not only came to saving faith in Jesus Christ but after 45 days she was able to stand on her feet and start walking again. She recently gave her testimony in a prayer meeting to God's goodness in her life.
