## MYANMAR

David the TPTL representative in Myanmar writes:

Myanmar has faced many problems and difficulties during 2021, but God has been good and has helped us overcome these challenges through Christ Jesus who strengthens us. We believe that God will continue to bless us with His kindness throughout 2022 also.

We visited Kyat Chaung village on December 20 and 21 to preach the good news to them and give them food and Christmas gifts. In this village there is only one small house church and the rest are Buddhist. Around 200 villagers came and heard about the salvation of Jesus and the meaning of Christmas.

We also visited Hlaintaya village where we had two days Bible teaching and a Christmas celebration. About ten people came and after

teaching God's Word, I asked them if they wanted to accept Jesus Christ and they all said that they want to accept Jesus Christ as their personal Saviour and Lord. In Hlaintaya many people are in a difficult situation. We gave them food, clothing and some Christmas gifts.

More Gospels are needed to be printed as we have run out. Please pray for God's provision.

# SINCE 2015 MORE THAN 950,000 DISTRIBUTED IN 12 NATIONS

## COLOMBIA

Norberto, the TPTL representative in Colombia writes: For the past several years, the Pocket Testament League of Australia has been a wonderful and selfless supporter of evangelism ministry in South America. We began the work of distributing the Gospels of John for free in June 2015, with the support of many volunteers who have been willing to carry out the work of the Great Commission to all nations. With the support of the Pocket Testament League of Australia, we have been able to freely print and distribute more than 950,000 Gospels of John in 12 nations of South America.

# 10,000 GOSPELS HAVE BEEN DISTRIBUTED IN NATIONS OF SOUTH AMERICA

In most of the countries we are working in, there are house churches where people are being discipled every week and gather around the Bible and the gospel of the Lord Jesus.

Our central office in South America is in Colombia, in the city of Barranquilla. From there the Gospels of John, the Bulletins and the booklets of the Ed Long Collection are printed and distributed to other cities and countries. All this is heavily sponsored by the Pocket Testament League of Australia.

The salvation reports are very special every month. Although we do not have the complete and real statistics, as many do not return or answer calls to track their conversion, every month, an average of 60 people are baptized in all nations, who have been reached by the Gospel of John in their country. 15,000 people have communicated claiming that their families now congregate in a nearby church. Additionally, we have trained thousands in evangelism and discipleship.

In 2021, we printed 100,000 new Gospels and began distributing these in Colombia, Venezuela, Ecuador, Panama, Chile, Bolivia, and Peru. In these nations volunteers are already active and working hand in hand with local churches to lead new believers to faith in Jesus.

We hope that this provision of the Gospels can last until April 2022, because every day new volunteers are added in each city to bring the gospel of Christ to people in parks, prisons, streets, and rural areas.

In the month of January, we started the activities of the indigenous transcultural school in the Amazon jungle in the vicinity of Venezuela and Colombia. Our evangelist, pastor Jairo Ferrer and his wife Sandra Blanco, along with evangelist brother, Rafael Cifuentes, were in the jungle for three weeks initially to serve 250 pastors and missionaries who came to be trained and qualified to continue preaching in the jungle to the tribes furthest from civilization.

Over the years, The Pocket Testament League of Australia, has helped us printing over 50 thousand Gospels that have been distributed in three different Aboriginal dialects. The largest of these dialects is the Piapoco. More than 320 thousand people in the jungle speak this language and are being blessed thanks to this joint work of the League.

We are looking to rent a house in the city of Puerto Inírida, where the evangelists can set up an office and use it as a room and as a permanent training center for all the people of the jungle and inhabitants of the city.

Please continue to pray for our country in reaching people and sharing the gospel.

## DIANA

My name is Diana Burgos, I received Christ through the gospel outreach in Colombia. I came to Jesus' feet when I was healed of cancer. At that time, not only my life but my family was also in great distress. However, since coming to the feet of Jesus I have seen a member of my family and many souls come to Christ and have their lives restored by the power of his grace. Thanks so much to the League supporters for this opportunity for me and my family. May God bless.

PRAYER AS WE TRUST GOD FOR THE PROVISION OF THIS NEED

## LOCAL UPDATE

We often share what is happening around the world but God is also working in Australia.

In the last year Gospel's of John have been used in school scriptures classes, church outreach, street evangelism and personal evangelism. Some churches have also used the Gospels of John by putting them into every letterbox in their surrounding suburbs.

A number of people have also been doing the correspondence course on the Gospel of John, both in the community and in prisons.

We give thanks to God for His faithfulness and blessing in enabling his work to continue here in Australia as well as overseas.

*For I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes.*
