20,000 GOSPELS FOR KENYA

Recently, Pastor Jordan visited Kenya to see the work and while there he spoke in churches, to a pastors' gathering, and to over 900 school children where he was able to share the gospel message with them. All the older children were given a copy of the Gospel of John for them to keep and use.

Last year, during a school outreach program in Tanzania, there was a remarkable story about how God was at work. In this school there were a number a Muslim children. Upon learning that Christians were spreading the gospel in their children's school, the Muslim parents took their children from school and brought them back home. However, two Muslim girls who had already heard the gospel presentation before their parents arrived wanted to know more of Jesus. So, after they were taken home they ran all the way back to school and said that they wanted to accept Jesus as their Saviour and follow of Him. They also wanted a copy of the Gospel of John to read and to learn more of Jesus and how to follow Him. (The two girls are in the picture below).

Sam, one of the people who helps to distribute the Gospels of John in Kenya, wrote, "Hello Pastor Jordan, thanks for meeting with me when you were in Kenya. It was an amazing experience to meet you knowing you work with TPTL to fund the printing of Gospel of John books. I believe it's always a great honour to do the work of God because of the transformation it does to God's people. The TPTL and its supporters in Australia are a huge blessing to the people of Kenya. Our prayer for you all is that our good Lord Jesus Christ will continue to bless you beyond measure like he said to His servant Abraham, "I will bless you and you will become a blessing to others."

Please pray for the distribution of the 20,000 copies of the gospel that have recently been printed in Kenya. These are now being used during evangelistic meetings, churches, and school outreaches. Over the next few months, the Gospels will also be distributed in school outreaches and evangelistic meetings in Uganda, Rwanda, and Kenya.

“FOR FROM HIM AND THROUGH HIM AND TO HIM ARE ALL THINGS

INDONESIA

Recently Pastor Jordan was able to visit the work taking place in Indonesia. While there he preached and spoke to Bible College students in Jakarta. These students come from all parts of Indonesia and when they finish their studies will go back to their villages and towns as Christian teachers, pastors and church leaders.

He also was able to train the students in how to share the gospel using the Gospel of John as they do evangelism throughout Jakarta and in surrounding villages and towns.

After His time at the Bible College he then flew up to North Maluku, Indonesia where he visited a village where Vera our representative in Indonesia is working. As well as distributing the gospels in North Maluku she has also started a school for high school students in a village. Before opening this school, students had to walk over five kilometres on a dirt road or through the jungle to get to school. Some students, from the Bible College in Jakarta who had completed their Master's degree, have volunteered to come as short-term missionaries to teach in the school and are doing a wonderful job. Many of the students have come to faith as a result and are being disciplined. Pastor Jordan was able to share the gospel, give teaching on living the Christian life and train them on how to share the gospel using the Gospel of John. Vera is also wanting to build two more classrooms, a toilet block and teachers' room. It takes \$5000 to build one classroom. If you would like to help with this project please contact the TPTL office.

PLEASE PRAY FOR MALAWI

Andrew our TPTL representative in Malawi writes, "We here in Malawi have been going through difficult times. Every year cholera is a problem but this year it is one of the worst outbreaks we have had. So far over 2,000 people have died from cholera. Also the rain this year has caused much flooding resulting in hundreds of people dying and thousands losing their homes in the floods and landslides that have affected much of the southern part of Malawi. At the moment there are over 650,000 people in camps because they have lost everything. With the help of other Christian believers, TPTL in Malawi has been visiting some of these camps and villages to help some of these people with clothes, soap, food, money and a copy of the Gospel of John. In all these places, our major focus is the sharing of the Word of God and then aid. I have seen how desperate people are for the Word. People are looking for true hope which is found in Jesus Christ only. One lady after receiving the Gospel of John said; "Thank you Pastor. As I am here in this camp, I will keep on reading this book. I will always find comfort from this book. I am sure God has kept me alive after losing my family so that I can meet you and hear what I have heard today. I know God is working in my life so that starting from here, I should be able to minister to others and give testimony of His goodness for keeping me alive. I never thought one day I would be in this situation but God knew. God wanted me to see His love and goodness through you people."

Please keep Malawi and the work of TPTL in your prayers.

PLEASE PRAY FOR NIGERIA

Victor an evangelist in Nigeria writes, "I have recently received 5,000 copies of the Gospel of John in the English language and 3,000 copies of the Gospel of John in a local language from Udemé. The Gospel of John booklets have really been a great help in our ministry outreaches. Yesterday, a small outreach team of our church took some gospels of John and went out for evangelism. They reported how the Gospel of John has been of great help to them in preaching about Jesus Christ. Not only that, but they also witnessed souls being saved. I'm planning on visiting Cameroon by next month to minister among the Nigerian community dwelling in the maritime coast of Cameroon. I will travel with some Gospels of John. I am also wanting to use the correspondence course on John's gospel to disciple some new converts. We need another 10,000 copies of John's gospel to boost our outreach work in village communities."

GOD'S WORD

Plant God's Word today,
prepare another's heart
then sow the seed of faith
and watch what it will start.

Plant God's Word today,
spread the Gospel tract
then water it with trust
and watch the lives it'll impact.

Plant God's Word today,
release the plan of peace
then sprinkle it with hope
and God's power it will release.

Plant God's Word today,
share the fruit of Christ's love
then watch it grow up
and give praise to God above.

Plant God's Word today,
it just takes one tiny seed . . .
but, with it you can harvest
all a soul will ever need!
