# 50,000 GOSPELS FOR MALAWI

Recently 50,000 gospels were printed in Malawi through your generous support.

Andrew writes: Greetings Pastor Jordan and fellow Saints in this amazing TPTL Fellowship.

I had time with the brethren at Dzaleka Refugee Camp and happened to interact with those who have benefitted from the books of John freely distributed to them. It was amazing to hear how these books are of great help to them. Most of these people have no Bibles and they can't afford to buy one. But this book of John once they have it, at least they are able to read and hear the comforting words of our Lord Jesus Christ. It was amazing to see how excited these people were, when I went there and shared the Word of God to them. This book of John is really helping transforming lives. In Malawi

especially places like at a Refugee Camp, it is not all that easy to have a Bible. Most people come for a prayer meeting with their exercise books and pens, and write the verses and yet when they go back to their respective homes, have no Bibles to refer to. During the recent Cyclone, this book of John turned to be a comforting weapon to most of the people in the camps. God bless you all for your prayers and support.

We are planning to have some meetings with our brothers and sisters from Mozambique at the Malawi-Mozambique border. We shall always remain grateful for the support you are giving us towards the printing of the gospels. Your labour is not in vain. Truly you are serving lives in Jesus name!

Grace and Peace.

*Rafael and Liliana travelling up the river with gospels and aid*

## SOUTH AMERICA - AMAZON JUNGLE

In the last couple of months Rafael and some other missionaries have been able to reach many villages and towns in the Amazon in both Venezuela and Colombia. In each place they have gone they have shared the gospel and given aid to people. They also conducted church services for those that are believers in each of these places.

### **Testimonial of Carlos Vaca:**

There was a young man, approximately 18 years old, who was trapped in a cycle of alcohol consumption. One night, while we were nearby, the Holy Spirit prompted Liliana to call out to the young man, much like a shepherd calling his sheep. Despite his intoxicated state, the young man approached us, initially with resistance, but eventually, he made his way to where we were. Although he had friends with him, he was the only one who responded to the call.

Liliana began to rebuke the unclean spirit that drove him to drink alcohol. In unity, we started to pray, and the demons began to manifest with screams. After a few minutes of praying, the unclean spirit had left him and we were able to share Jesus with him. We are overjoyed for every soul that the Lord sets free from the bonds that lead to condemnation. All glory always belongs to Jesus Christ!

### **Trip to Inírida and Divine Encounter:**

In the second week of May 2023, Liliana, Rafael, and I embarked on a journey from Atabapo to Puerto Inírida aboard the JESU IDANI (El Bongo de JESÚS). I was operating the outboard motor as we navigated the Inírida river when, unexpectedly, the engine suddenly shut off. We were just about 20 meters away from the shore, and despite our efforts, we found ourselves stranded. As we rowed towards the shore, we noticed a property owned by a man named Daniel, situated by the riverside. Daniel kindly assisted us and explained the reason behind the engine malfunction. It was during this encounter that he shared his struggle with a severe back problem resulting from an incident involving a horse. It became clear to Liliana and me that the engine failure was divinely orchestrated to bring about healing for Daniel's spine and share the gospel with him. Moved by this realization, we prayed fervently for his healing, and a profound sense of joy enveloped all three of us, knowing that the Lord's hand was at work. Daniel remained at his farm, and we were able to resume our journey. We give eternal glory to our Lord Jesus for the remarkable encounter and the opportunity to witness His healing power in action!

## INDONESIA

Vera writes, Thank you for working together with us to share the gospel with the people in Indonesia.

Recently, about 1000 Gospels of John, tracts and correspondence courses were distributed in many villages. Some of the people who have received them are fishermen, farmers, students in school and young people.

The Christians in the area were excited upon receiving the gospels and discovering effective ways to spread their faith. Those who responded to the gospel message expressed deep gratitude and were filled with gladness upon hearing about Jesus Christ. Through our preaching, prayers, and heartfelt conversations, they shed tears of thankfulness, recognizing the immense blessings of having their lives saved and their sins forgiven by the Lord.

Please join us in prayer for our upcoming visit to the East area, where we aim to deliver correspondence, distribute copies of the Gospel of John, and share tracts. Our plan is to travel to the region by speedboat. During our visit, we will engage with local churches, the youth community, and the general population in that area.

Keep praying for us. Thank you. God bless.

## PRAYER POINTS

Pray for protection for Rafael and Liliana as they minister in the Amazon and that they would not have any boat breakdowns as they travel.

Pray for all the workers in each of the countries that TPTL is working in that they would be faithful in carrying out the work.

Pray that those who receive the gospels would read them and come to know Jesus as their saviour.

## GOD'S WORD CHANGES LIVES

## EDDIE FREE

Eddie and his wife Evelyn worked full time for TPTL for many years from about 1964-1981. For many years Eddie was the Queensland director and under his godly leadership the work greatly expanded. He would visit churches promoting the work, conduct evangelistic meetings, training courses in evangelism, youth camps, and preaching the gospel. After finishing with TPTL Eddie became a Baptist minister serving in a number of churches. He and Evelyn continued to support TPTL work right up to when he was promoted to glory to be with His Saviour.

## DARIO ROSSO

Dario and his wife Martha were evangelists working full time for TPTL for a number of years in the early eighties. Their ministry was mainly working among the Spanish and Italian speaking people and other ethnic groups. Part of their ministry was presenting a weekly radio program in both Spanish and English which enabled them to reach many with the gospel. As a result of their ministry many people came to faith and were blessed by the faithful preaching of God's Word. After leaving the ministry to take up secular employment they continued to have a great interest in the ministry, praying and supporting the work of TPTL for the rest of their lives. Dario will be greatly missed.
