

REACHING THE UNREACHED WITH THE GOSPEL IN NIGERIA

Udeme writes, "I humbly request prayer for Nigeria. The enemies of the gospel of Christ are trying to destroy the country, therefore making life so difficult. We are also experiencing severe high cost of living now. Despite the persecution and difficulties, God is working in our country. The Gospels of John are penetrating many communities throughout Nigeria.

Here are some stories of how God is transforming lives in Nigeria through the Gospel."

During a trip to Ajassor cocoa plantation in Cross River State, the Spirit of the Lord convicted many and they surrendered their hearts to Christ. While there, I baptized one person. She was so happy and thanking God for her salvation.

While we were out sharing the gospel, we met these two people. We shared the message of Jesus Christ through the Gospel of John with them. They believed the gospel and committed their lives to Christ. We then encouraged them to read the gospel each day.

David accepted Jesus Christ after I preached to him. He has decided to learn and study the Word of God. He is a commercial motorbike rider, but he has decided to spend time learning about Jesus the Messiah. He's currently reading the gospel of John. Please keep him in your prayers.

Recently, I conducted discipleship training in Lagos for ministers and evangelists to help them in their work for God so they can equip other people in discipleship.

A group of gospel preachers receiving some gospels of John after our evangelism and discipleship training. They were taught that the gospel of Jesus Christ must be preached to everyone and those that believe in Christ must be discipled to be a faithful witness unto Him.

Here I am sharing the Word of God with a group of believers in northern Nigeria. I was led to preach on repentance and how the villagers should leave idols to serve the living God. As a result, many of them surrendered their lives to Christ and willingly changed from serving idols to serving Jesus Christ. I gave out many Gospels in the village. I was also able to strengthen the believers through teaching and encouragement.

100,000 GOSPELS PR

Dear Brothers and Sisters in Christ,

Greetings and love to you from all of us here in Thailand in the precious name of our Saviour and Mighty Lord! We thank God for allowing us to serve Him and to share His great love through His son, Jesus Christ, with all people here in Thailand. He has blessed and continued to bless our ministry and our family. All praise and glory to Him! I have many exciting experiences and stories to share but it is difficult to tell all of them. However, I will just highlight some stories and show some photos.

Yours in His service, Somchai and Saengtong

GOSPEL EVANGELISM

In the past months heavy monsoon rain, storm and flooding made it difficult for us to hold open-air evangelistic rallies, but thank God, we were able to preach in schools, markets, national parks, streets, shopping centres, village halls, homes, and churches, along with giving out the Gospel of John and Christian booklets. We are now very busy preparing for our Christmas outreach and some volunteers will be joining us in Bangkok and other areas throughout Thailand.

BAPTISMS

Recently, I baptised 11 people in the sea, these people had come to faith through our evangelistic ministry. These people have been disciplined and want to serve the Lord.

SCHOOLS

We often go into schools where we share a message and give each student a copy of a Gospel of John and other Christian booklets, and in some schools, we also give a drink and snack. Over the years a number of students have come to faith in Jesus Christ from our school outreaches.

NEW CHURCH IN BANGKOK

Over the years we have planted several churches across Thailand. Recently, by God's grace we have started a new church in Bang-Kae, Bangkok Thailand. The church currently has 25 members made up of new converts that have come to faith through our ministry.

NEW CHURCH IN PRISON

We regularly minister in prisons throughout Thailand with many prisoners receiving Gospels of John and doing correspondence courses. Over the years we have seen many prisoners come to faith in Jesus Christ. Recently a new church congregation was started in Thonburi prison in Bangkok with 27 prisoners. These prisoners came to faith from doing our Bible correspondence course and have now started a new church in the prison.

This is a letter we received from one of the prisoners:

"Dear TPTL, Greetings and God bless you abundantly. I am a prisoner who has already finished your Bible Correspondence Courses. I am writing you today with love and thinking of TPTL's team. How are you all? There are some of us here who are still learning and some more wanting to learn too. We are wishing you to write a word to encourage us. We have begun a small church with 27 prisoners. We are in a special Thonburi Prison in Bangkok. There are some of us who have no visits from relatives. I am writing to request TPTL's team to write a word to give us strength with the love of God. Thanks."
