

GOD'S WORD IMPACTING AFRICA

Peter in Kenya writes, "We have been doing many outreaches in schools, churches and villages in rural areas and we have been greatly blessed to have been able to share the love of God. In all these places we have been going, we have been having large numbers of people attend the outreaches. One place we visited was a very poor community called Tororo in the eastern part of Uganda. We had the opportunity to share the Gospel with that community and as a result many received Jesus Christ as their Saviour. We were able to give them a Gospel of John so they could have their own copy of God's Word which they were all so thankful for.

Earlier in the year, when I and six pastors were travelling in a car to a prayer meeting we were pulled over by some police officers, they then asked for a bribe of 2000 Kenyan Shillings. This is something that is common in Kenya.

Explaining how to read the Gospels

Children receiving the Gospels of John

It was then God gave me the idea to give them each a copy of the Gospel of John. They wondered what it was that I was giving them. I said "It's the only gift we can offer you. It is God's Word and in it you will find new life." They all looked at me and not knowing what to say, they said "Thank you, you may now go" and so we did not have to pay a bribe. This has now become my regular thing to do whenever the police stop me on the road and ask me for a bribe. As a result, I have seen God working in the lives of some of the policemen.

We praise God for the provision of these Gospels that have really made a great difference in all of our missions. We pray that God would open the door for many more Gospels to be printed and to be distributed all over Kenya and surrounding countries. Thank you to everyone who has made it possible for us to have these gospels."

20,000 GOSPELS FOR COLOMBIA

20,000 Gospels of John have been printed for Colombia. These Gospels are being used by evangelists in hospitals, evangelistic outreaches and one to one evangelism.

Below is a photo of some children who have received packs of school supplies and a copy of God's Word. Some of the evangelists do this to help some of the children in poorer communities. They provide practical need alongside the Word of God.

PRAYER POINTS

Pray for TPTL evangelists who seek to share and give out God's Word and that much fruit would come from their labour for the Lord.

Pray for David and his family in Myanmar as they give out God's Word in difficult circumstances. David's son may be forced to join the army as recently the military brought in compulsory conscription for young people to join the army in order to fight their own people which most people in Myanmar do not want to do, as they are against the Military Regime who are in control of the country.

Pray that God would continue to provide the resources needed to print gospels and reach people with the gospel and to disciple them in all the places TPTL is working and in other countries as He opens doors.

NIGERIA

Recently Udeme went on an evangelist trip to other states within Nigeria. One place he went to was called Wukari in Taraba State. In this area Muslims and Christians are often in conflict and many Christians have had their houses burnt down as a result of this conflict. Udeme writes "One place I ministered in, was a small church that meets in a primary school for Sunday church services. I taught on the doctrine of God and the church was blessed. I gave out some Gospels of John because many of the people don't have a Bible of their own.

After returning from my trip a disciple named William came to our discipleship training centre in Oron seeking some Gospels of John to use in his evangelistic outreach work. We were able to provide him some copies of the Gospel, which he was so thankful to receive."
