

GOD OPENING DOORS IN ZAMBIA

20,000 GOSPELS PRINTED IN ZAMBIA

From Pastor Chibwe Katebe, Zambia

We thank God for the exciting opportunities He is providing through the newly printed Gospels of John in Zambia. Since the project began, we have already seen the Gospel reaching villages, churches, prisons, and community leaders.

One encouraging outreach took place in Simonga Village, where Gospels were distributed among local churches. Pastors in the area have since begun using the Gospel of John in group Bible studies, helping people learn more about Jesus and sharing His message with others in their community.

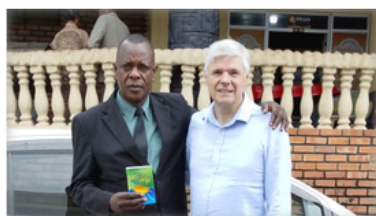

Another highlight was a youth evangelism training weekend, where young people were equipped to use the Gospel of John in door-to-door outreach. The enthusiasm was so great that a group of young believers formed a dedicated evangelism team committed to regularly reading, carrying, and sharing the Gospel with others.

BELIEVERS BEING TRAINED TO SHARE THE GOSPEL

POLICE CHAPLAIN WITH PASTOR JORDAN

Perhaps the most moving testimony came from Livingstone Central Prison. **Following a prison outreach, a Bible study group was established among the inmates.** One prisoner took it upon himself to read the Gospel of John aloud each evening to fellow inmates who could understand English but were unable to read for themselves. When the prison chaplain discovered what was happening, he was deeply touched and relieved the prisoner of his normal duties so he could continue reading the Gospel to others. Many inmates are now eager to begin the correspondence course and learn more about Christ.

God has also opened an unexpected door through the Livingstone District Police Chaplain, who is overseeing ministry among hundreds of police officers. After receiving copies of the Gospel of John, he expressed his desire to distribute them among the officers under his care, creating a significant opportunity for the Gospel to reach even more lives.

We praise God for these open doors and for the many people who are encountering His Word for the first time. Please pray that these Gospels will continue to bear fruit throughout Zambia and beyond.

SHARING THE GOSPEL ACROSS INDONESIA

Update from Vera, TPTL Representative – Indonesia

Shalom and warm greetings from Indonesia.

Although the beginning of the year has brought many challenges, including natural disasters, difficult travel conditions, and remote access to many communities, we thank God for His protection and faithfulness. These obstacles have not stopped us from sharing the Gospel and encouraging people in their faith.

Sharing the Gospel in Indonesia is not always easy. In some parts of the country, Christians who openly share their faith can face opposition from local authorities, community leaders, and those who are hostile to the Christian message. Despite these challenges, believers continue to faithfully proclaim Christ wherever God opens doors, trusting Him to work in people's hearts and provide opportunities to share His Word.

Through the ministry of The Pocket Testament League, we continue to distribute Gospels and correspondence course materials in churches, schools, prisons, offices, community groups, and villages throughout Indonesia. We are grateful for the many opportunities God is providing to share His Word.

One encouraging outreach took place at a youth cell group in Jakarta. The young people responded enthusiastically to the Gospel and expressed a strong desire to serve God and use their lives to share His Word with others. It is exciting to see the next generation growing in faith and developing a heart for evangelism.

We have also continued our prison ministry at Cipinang Prison. During one visit, an inmate named Fabian was deeply moved by the Gospel message and the materials he received. **Through our conversations and correspondence, Fabian sensed God calling him to Himself, committed his life to Jesus Christ, and expressed his desire to be baptised.** We continue to pray that he will grow strong in his faith and remain committed to following the Lord.

In North Maluku, we continue to support our school and provide Gospel correspondence materials through local churches, including Sunday services in Pediwang. We are encouraged to see children growing in their faith and learning more about God's Word despite the challenges of living in remote areas.

Thank you to the TPTL, and all supporters for faithfully partnering with us in God's work throughout Indonesia. Your prayers and support are helping bring the hope of the Gospel to many people across our nation.

With gratitude,

Vera

A TESTIMONY FROM PRISON

The Pocket Testament League offers a correspondence course based on the Gospel of John, helping people discover who Jesus Christ is and how they can place their faith in Him. The course is used by people from many different backgrounds, including those in correctional centres.

Recently, we received an encouraging letter from a prisoner who completed the correspondence course in Australia. He shared how much the study had helped him to better understand God's Word and grow in his faith. We have shared part of his letter below.

Dear brothers and sisters in Christ,

I wanted to thank you from the heart for all the great work you are doing! This journey of the book of John was one of the best learning I have ever done! I may not be in a situation that I can reward you or thank you with any thing more than these words but I thank my God that one day He will say "I was in prison and you cared for me".

He is a great loving God and people like you bring His Light to people like us living in the darkest places, where no one cares and everyone looks down on us. But the spirit of the Lord that is in you gave us something to hope for and brought back the feeling that someone actually cares and looks at us with some value! You are not only providing Bible study... you are bringing hope and life to those who are really seeking it.

May the Lord keep shining His face upon you and give you blessings, peace and joy.

Thank you so much
God bless you.

PRAYER POINTS

Pray for Zambia, that the Gospels of John being distributed through churches, prisons, police chaplaincy ministries, and evangelism teams would lead many people to faith in Jesus Christ and spiritual growth in God's Word.

Pray for Indonesia, that God would protect and strengthen believers as they share the Gospel in challenging circumstances, and that many people, including young people and prisoners, would come to know Christ through these ministry efforts.

Pray for those studying God's Word through TPTL correspondence courses, especially prisoners and new believers, that they would grow in their understanding of Jesus Christ and become faithful disciples who share their faith with others.

The Lord is my strength and my song, and he has become my salvation; this is my God, and I will praise him, my father's God, and I will exalt him.

HE IS ABLE

The Bible repeatedly teaches that God is able.

Able to do immeasurably more than all we ask or imagine (Ephesians 3:20).

Able to make all grace abound to us (2 Corinthians 9:8).

Able to help those who are being tempted (Hebrews 2:18).

Able to establish us (Romans 16:25).

Able to make us stand (Romans 14:4).

Able to deliver (Daniel 3:17).

Able to save completely those who come to God through Him (Hebrews 7:25).

Able to keep us from falling and present us faultless before His presence with exceeding joy (Jude 24).

Able to guard what we have entrusted to Him (2 Timothy 1:12).

Able to transform our lowly bodies to be like His glorious body (Philippians 3:21).

The God who was able in Bible times is still able today.
"With God all things are possible." (Matthew 19:26)

Whatever you face today, remember: **He is able.**

THANK YOU TO ALL OUR SUPPORTERS, YOUR GIVING IS MAKING A DIFFERENCE THROUGHOUT THE WORLD.
